

## **ST VINCENT'S NEW CANCER CENTRE IS OPEN!!**

St Vincent's is now in a position to offer the highest quality care in a state-of-the art home-like environment that emphasises patient comfort and privacy.

The St Vincent's Cancer Centre brings all of our day oncology services under one roof, including medical oncology, haematology, palliative care and psychosocial oncology.

Patients receive the best multidisciplinary care, with prompt appointments and pharmacy on site.

If you would like to visit this facility, please call Ray Snyder on 9288 3020.
