

1. THE ORGANISATION AND OUR MISSION

St Vincent's Hospital Melbourne (SVHM) is a leading teaching, research and tertiary health service, which employs more than 7,500 staff across 18 sites throughout Melbourne.

Part of Australia's largest not-for-profit Catholic health and aged care network, St Vincent's Health Australia, SVHM provides a diverse range of adult clinical services including acute medical and surgical services, sub-acute care, medical diagnostics, rehabilitation, allied health, mental health, palliative care, correctional health and community residential care.

SVHM's mission is to provide high quality and efficient health services to the people of Victoria in accordance with the philosophy of St Vincent's Health Australia. This mission is based on the values of compassion, justice, integrity and excellence.

2. KEY POSITION DETAILS

Job Title:	Geriatric Medicine Fellow	Reports to:	Clinical Director Geriatric Medicine, Home & Community Services
Program:	Subacute, Home & Community	Department:	Geriatric Medicine
Industrial Agreement:	AMA Victoria - Victorian Public Health Sector - Doctors in Training Enterprise Agreement 2022-2026	Classification:	HM25-HM30
		Risk Category:	A

3. LOCAL WORK ENVIRONMENT

The Department of Geriatric Medicine provides care across the continuum, from acute and subacute bed-based services through to community including transition and residential, ambulatory and home-based care.

Clinical services are based at St Vincent's Hospital (SVH) in Fitzroy and St Georges Health Service (SGHS) in Kew and extend into our catchment community from both locations.

4. POSITION PURPOSE

The Honorary Geriatric Medicine Fellow will - under the supervision of Consultant Geriatricians from the Department of Geriatric Medicine and the Clinical Director, provide clinical care, supervise junior medical staff and participate in appropriate administrative, hospital and teaching activities.

With a focus on working alongside the Residential In-Reach and GEM@Home services, the Fellow may also experience inpatient acute and subacute ward-based care, consultation in the acute wards at SVH, specialty clinics and other home and community services.

There will be involvement in teaching of medical students from Melbourne University in addition to postgraduate education and opportunities to contribute to hospital activities including committees.

5. POSITION DUTIES

- Perform competent comprehensive geriatric assessments in a range of clinical settings.
- Communicate and coordinate effective consultations, admissions, diagnostic requests, medical and discharge management plans.
- Communication with the patient, or with immediate family/carers (where appropriate) about his/her condition and management.
- Communication with GPs, external stakeholders and multidisciplinary team members.
- Attend ward rounds, team meetings, family meetings and other departmental meetings.

- Attend outpatient clinics, community assessments, and residential care facilities.
- Supervise and teach junior medical staff and medical students.
- Attend and participate in education opportunities (e.g. journal club).
- Attend and participate in the Victorian Geriatric Medicine Training Program.

6. INCUMBENT OBLIGATIONS

General

- Perform duties of the position to best of their ability and to a standard acceptable to SVHM
- Comply with all SVHM policies, procedures, by laws and directions
- Treat others with respect and always behave professionally and in accordance with the SVHM Code of Conduct
- Only access confidential information held by SVHM when this is necessary for business purposes, maintaining the confidentiality of that information once accessed
- Participate in the annual SVHM performance review process
- Display adaptability and flexibility to meet the changing operational needs of the business
- Comply with applicable Enterprise Bargaining Agreement provisions
- Display a willingness to develop self and seek to improve performance

Clinical Quality and Safety

- Attend clinical orientation upon commencement
- Maintain clinical registration and any required indemnity cover
- Always work within approved scope of practice under supervision by more senior clinical staff as appropriate.
- Take personal responsibility for the quality and safety of work undertaken
- Take all necessary care and precautions when undertaking clinical procedures
- Complete annual clinical competencies
- Maintain skills and knowledge necessary to safely and skilfully undertake clinical work
- Consult with peers and other experts and refer to other healthcare workers when appropriate and in a timely manner
- Collaborate and clearly communicate with patients/clients and the healthcare team
- Participate in clinical risk management and continuous quality improvement activities as part of day-to-day work

Person Centred Care

- Ensure consumers receive information in an appropriate and accessible format
- Actively support consumers to make informed decisions about their treatment and ongoing care
- Ensure consumers are aware of their rights responsibilities and how to provide feedback

Health and Safety

- Protect the health and safety of self and others, complying with all health and safety related policies, procedures and directions
- Complete required Fire and Emergency Training annually
- Complete required Workplace Culture and Equity Training annually
- Attend general hospital orientation within 3 months of commencement
- As required, comply with fit-testing and PPE requirements
- Participate in reporting and analysis of safety and quality data including risks or hazards,
- Report any hazards, near misses and incidents (regardless of whether an injury occurred or not) into Riskman
- Identify and report any variance to expected standard and minimising the risk of adverse outcomes

7. INCUMBENT CAPABILITY REQUIREMENTS (Level 2)

The incumbent of this position will be expected to possess the following core capabilities:

Capability		Demonstrated behaviour
Personal	Personal effectiveness	Takes responsibility for accurate, timely work results
	Learning Agility	Identifies personal development needs and seeks information from a range of sources
Outcomes	Patient/Resident/client centred	Strives to meet and exceed expectations, demonstrating sound judgement

- Ability to contribute in a multidisciplinary team.
- Demonstrated organisational skills
- Excellent written and verbal communication skills.
- Commitment to the principles of the Patient Care Model.
- Knowledge of and commitment to Continuous Quality Improvement.
- Demonstrated understanding of professional medical issues.

9. REQUIRED IMMUNISATIONS

SVHM Employee Health Screening and Immunisation Policy outlines the requirements for staff working in SVHM facilities.

Table 1: Vaccine Preventable Diseases for which vaccination and/or assessment is required within SVHM

Chicken pox (varicella) Hepatitis B Measles Mumps Rubella	Whooping cough (pertussis) Diphtheria Tetanus Influenza Tuberculosis COVID-19
---	--

NOTE: Vaccination requirements may differ according to individual jurisdictional requirements and policy directives and where there is a conflict the higher directive will apply.

SVHM has grouped individuals according to their risk of transmitting vaccine preventable diseases and their risk of exposure to blood or body substances (Table 2).

Table 2: Health Care Worker Risk Categorisation

Risk Category	Description	Vaccination requirement
Category A	Vaccination is required for this category of health care worker. Healthcare workers within this category have the potential to transmit Vaccine Preventable Diseases to vulnerable patients most at risk of mortality and morbidity from these diseases within SVHM. This includes employees with direct physical contact with patients/clients, deceased persons, blood, body substances or infectious material or surfaces/equipment that might contain these or contact that would allow acquisition and/or transmission of a specific infectious disease by respiratory means. This includes laboratory workers.	Required
Category B	Vaccination is recommended for this category of HCW. This includes individuals who do not work with the risk of exposure to blood or body substances, their normal work location is not in a clinical area (e.g. chef, administrative staff) and only attends the clinical area for short periods of time. Essentially, these individuals have no greater level of risk than that of the general community.	Recommended

10. PRE-EXISTING INJURY

Prior to any person being appointed to this position it will be required that they disclose full details of any pre-existing injuries or disease that might be affected by employment in this position.

11. AGREEMENT

National Police Check:

I understand that it is a condition of my employment to provide SVHM with a current National Police Certificate PRIOR TO COMMENCING WORK and this is at my own cost.

I understand that regardless of the frequency, if I am working and or visiting in a designated 'high risk area' of SVHM (as defined in the SVHA Pre-employment/Appointment Safety Checks Policy) I will be subject to periodic Police Checks every three years at my own cost.

Required Immunisations:

Individuals who will be working in Category A positions will only be able to commence employment following assessment of their vaccination status. The decision to proceed with the commencement of employment will be at the discretion of the ICP in consultation with the Hiring Manager and may in some instances, require additional vaccinations to ensure full compliance with the SVHM Employee Health Screening and Immunisation Policy.

I understand that if additional vaccinations are required to comply with pre-employment prerequisites, this will be at my own cost. Where a state jurisdiction overrides this, the facility will bear the cost.

I have read, understood and agree to comply with the responsibilities and accountabilities of this position description. I agree to comply with all SVHM requirements, policies, procedures, by laws and directions.
