
1. THE ORGANISATION AND OUR MISSION

St Vincent's Hospital Melbourne (SVHM) is a leading teaching, research and tertiary health service, which employs more than 7,500 staff across 18 sites throughout Melbourne.

Part of Australia's largest not-for-profit Catholic health and aged care network, St Vincent's Health Australia, SVHM provides a diverse range of adult clinical services including acute medical and surgical services, sub-acute care, medical diagnostics, rehabilitation, allied health, mental health, palliative care, correctional health and community residential care.

SVHM's mission is to provide high quality and efficient health services to the people of Victoria in accordance with the philosophy of St Vincent's Health Australia. This mission is based on the values of compassion, justice, integrity and excellence.

2. KEY POSITION DETAILS

Job Title:	Gastroenterology Research Fellow	Reports to:	Director of Gastroenterology
Program:	Surgical and Specialist Services	Department:	Gastroenterology
Industrial Agreement:	Industrial Agreement: AMA Victoria - Victorian Public Health Sector - Doctors in Training Enterprise Agreement 2022- 2026	Classification:	HM25-HM30
		Risk Category:	A

3. LOCAL WORK ENVIRONMENT

The Gastroenterology Department provides a comprehensive range of consultative and diagnostic procedures in Gastroenterology with particular interest in therapeutic endoscopy, chronic viral hepatitis, liver disease, inflammatory bowel disease.. Clinical treatment is delivered in the Gastroenterology Department, outpatient clinics and also in the Inpatient Services Building. Endoscopy services are provided in the day procedure unit in the Inpatient Services Building as well as at St. Vincnet's on the Park. The department has a strong focus on education and training, as well as research, actively participating in clinical trials, both investigator-initiated and industry-sponsored.

4. POSITION PURPOSE

The Gastroenterology Research Fellow is a training and research position suitable for advanced trainees in gastroenterology who have completed at least two years of core clinical training. The Fellow will have exposure and training in the performance of endoscopic mucosal resection (upper / lower gastrointestinal tract), endoscopic surgical dissection, advanced endoscopic diagnosis and treatment of Barrett's oesophagus, including HALO, per oral endoscopic myotomy (POEM), endoscopic stricture dilatation, diagnostic and therapeutic endoscopic ultrasound and diagnostic and therapeutic endoscopic retrograde cholangiopancreatography. The Fellow will be trained in clinical decision making regarding the performance of endoscopy, including appropriate patient selection, benefits and risks of different therapeutic approaches. The Fellow will be expected to actively participate in ongoing endoscopy research projects.

5. POSITION DUTIES

- Attend endoscopy lists daily under the supervision of consultant gastroenterologists
- Perform standard and advanced endoscopy under the supervision and direction of consultant gastroenterologists, including emergency endoscopy for the treatment of patients with acute GI conditions such as upper GI bleeding.
- Active involvement in the pre-endoscopy assessment of patients, including decision making about appropriate patient selection considering benefits and risks, as well as involvement in informed consent
- Active involvement in post-endoscopy clinical care and follow-up

- Perform up to two service standard endoscopy lists every week, as well as up to eight training lists in advanced endoscopy
- Attend outpatient endoscopy clinics as required
- Join the haematemesis and melaena after hours oncall service
- Actively participate in quality assurance projects including weekly clinical audit, journal club and regular morbidity and mortality projects
- Actively participate in education and training of junior medical staff (gastroenterology curriculum)
- Actively participate in endoscopy research projects under the supervision of the Section Head of Endoscopy and Research Lead in endoscopy

6. INCUMBENT OBLIGATIONS

General

- Perform duties of the position to best of their ability and to a standard acceptable to SVHM
- Comply with all SVHM policies, procedures, by laws and directions
- Treat others with respect and always behave professionally and in accordance with the SVHM Code of Conduct
- Only access confidential information held by SVHM when this is necessary for business purposes, maintaining the confidentiality of that information once accessed
- Participate in the annual SVHM performance review process
- Display adaptability and flexibility to meet the changing operational needs of the business
- Comply with applicable Enterprise Bargaining Agreement provisions
- Display a willingness to develop self and seek to improve performance

Clinical Quality and Safety

- Attend clinical orientation upon commencement

8. SELECTION CRITERIA

8.1 ESSENTIAL REGISTRATION, LICENSE OR QUALIFICATION REQUIREMENTS

- Current Registration, Medical Practitioner with the Australian Health Practitioner Regulation Agency (AHPRA)
- Bachelor of Medicine, Bachelor of Surgery (MBBS) or equivalent

9. REQUIRED IMMUNISATIONS

SVHM Employee Health Screening and Immunisation Policy outlines the requirements for staff working in SVHM facilities.

Table 1: Vaccine Preventable Diseases for which vaccination and/or assessment is required within SVHM

Chicken pox (varicella) Hepatitis B Measles Mumps Rubella	Whooping cough (pertussis) Diphtheria Tetanus Influenza Tuberculosis COVID-19***
---	---

NOTE: Vaccination requirements may differ according to individual jurisdictional requirements and policy directives and where there is a conflict the higher directive will apply.

****Following direction from the Victorian Chief Health Officer, under the Public Health and Wellbeing Act 2008 (Vic); Section 200; the COVID-19 Vaccination is mandatory for all employees (regardless of risk category), provided the individual does not have a medical contraindication according to the Australia Technical Advisory Group on Immunisation.*

SVHM has grouped individuals according to their risk of transmitting vaccine preventable diseases and their risk of exposure to blood or body substances (Table 2).

Table 2: Health Care Worker Risk Categorisation

Risk Category	Description	Vaccination requirement
Category A	Vaccination is required for this category of health care worker. Healthcare workers within this category have the potential to transmit Vaccine Preventable Diseases to vulnerable patients most at risk of mortality and morbidity from these diseases within SVHM. This includes employees with direct physical contact with patients/clients, deceased persons, blood, body substances or	Required

	infectious material or surfaces/equipment that might contain these or contact that would allow acquisition and/or transmission of a specific infectious disease by respiratory means. This includes laboratory workers.	
Category B	Vaccination is recommended for this category of HCW. This includes individuals who do not work with the risk of exposure to blood or body substances, their normal work location is not in a clinical area (e.g. chef, administrative staff) and only attends the clinical area for short periods of time. Essentially, these individuals have no greater level of risk than that of the general community.	Recommended

10. PRE-EXISTING INJURY

Prior to any person being appointed to this position it will be required that they disclose full details of any pre-existing injuries or disease that might be affected by employment in this position.

11. AGREEMENT

National Police Check:

I understand that it is a condition of my employment to provide SVHM with a current National Police Certificate PRIOR TO COMMENCING WORK and this is at my own cost.

I understand that regardless of the frequency, if I am working and or visiting in a designated 'high risk area' of SVHM (as defined in the SVHA Pre-employment/Appointment Safety Checks Policy) I will be subject to periodic Police Checks every three years at my own cost.

NDIS Clearance (if applicable):

If you are working in a designated 'Risk Assessed Role' (as defined by the National Disability Insurance Scheme NDIS) regardless of frequency, you will be subject to periodic NDIS Worker Screening Checks every five years at your own cost. 'Risk Assessed Roles' are defined as (a) key personnel as defined in the *National Disability Insurance Scheme Act 2013*; (b) any role that directly delivers a set of specified supports or services in the [NDIS \(Practice Standards – Worker Screening\) Rules 2018](#); (c) any role where normal duties are likely to require 'more than incidental contact' with people with disability. The designation of 'Risk Assessed Roles' are subject to change, please refer to NDIS Practice Standards for further information.

Required Immunisations:

Individuals who will be working in Category A positions will only be able to commence employment following assessment of their vaccination status. The decision to proceed with the commencement of employment will be at the discretion of the ICP in consultation with the Hiring Manager and may in some instances, require additional vaccinations to ensure full compliance with the SVHM Employee Health Screening and Immunisation Policy.

I understand that if additional vaccinations are required to comply with pre-employment prerequisites, this will be at my own cost. Where a state jurisdiction overrides this, the facility will bear the cost.

I have read, understood and agree to comply with the responsibilities and accountabilities of this position description. I agree to comply with all SVHM requirements, policies, procedures, by laws and directions.
