

1. THE ORGANISATION AND OUR MISSION

St Vincent's Hospital Melbourne (SVHM) is a leading teaching, research and tertiary health service, which employs more than 6,500 staff across 18 sites throughout Melbourne.

Part of Australia's largest not-for-profit Catholic health and aged care network, St Vincent's Health Australia, SVHM provides a diverse range of adult clinical services including acute medical and surgical services, sub-acute care, medical diagnostics, rehabilitation, allied health, mental health, palliative care, correctional health and community residential care.

SVHM's mission is to provide high quality and efficient health services to the people of Victoria in accordance with the philosophy of St Vincent's Health Australia. This mission is based on the values of compassion, justice, integrity and excellence.

2. KEY POSITION DETAILS

Job Title:	Nephrology Registrar	Reports to:	Director of Nephrology
Program:	Nephrology	Department:	Nephrology
Industrial Agreement:	AMA Victoria – Victorian Public Health Sector - Doctors in Training Enterprise Agreement 2018 – 2021, or its successor	Classification:	HM25-30
		Risk Category:	A

3. LOCAL WORK ENVIRONMENT

The Nephrology Registrar is accountable for the delivery of clinical services to St Vincent's patients, through providing high quality clinical services, contributing to service evaluation and displaying a commitment to ongoing learning and professional development in Nephrology.

4. POSITION PURPOSE

To provide for the day to day clinical management of patients under the care and direction of the Clinical Department Head to ensure a high quality of patient care.
To undertake administrative duties for the Unit under the direction of the Clinical Department Head to ensure that the Unit is run efficiently.

5. POSITION DUTIES

- The Nephrology Registrar of the SVHM Nephrology Unit are responsible for the day to day operations of the clinical service, including the inpatients and ambulatory dialysis patients. Collectively they are well supported by consultant staff, who are always available on site, but are encouraged to develop clinical independence, leadership and be responsible for key clinical decisions. The job offers an integrated clinical experience as the Department provides a full range of tertiary Nephrology services, including care for 250 dialysis patients and performs 20 renal transplants per year, in addition to the NFC islet cell transplant program.
- The Nephrology Department has an important role in undergraduate and postgraduate teaching and is closely affiliated with the University Of Melbourne, Department of Medicine. The inpatient beds are located in a modern, state of the art hospital with inpatient dialysis facilities. The main community dialysis centre is adjacent to the Hospital in Fitzroy. Clinical links include Barwon Health, and Austin Health (with whom we share a transplant program) and several rural hospitals where satellite units are located.
- The Nephrology Department has a strong track record in basic, translational and clinical research. Research in both laboratory-based research (renal disease and immunology) and clinical research is strongly represented and supported. There is a strong academic base in the Centre for Immunology Research, which has a focus on xenotransplantation. Other research interests include the immunopathology of glomerulonephritis and cardiovascular disease in renal failure.

6. INCUMBENT OBLIGATIONS

General

- Perform duties of the position to best of their ability and to a standard acceptable to SVHM
- Comply with all SVHM policies, procedures, by laws and directions
- Treat others with respect and always behave professionally and in accordance with the SVHM Code of Conduct
- Only access confidential information held by SVHM when this is necessary for business purposes, maintaining the confidentiality of that information once accessed
- Participate in the annual SVHM performance review process
- Display adaptability and flexibility to meet the changing operational needs of the business
- Comply with applicable Enterprise Bargaining Agreement provisions
- Display a willingness to develop self and seek to improve performance

Clinical Quality and Safety

- Attend clinical orientation upon commencement
- Maintain clinical registration and any required indemnity cover

9. REQUIRED IMMUNISATIONS

SVHM Employee Health Screening and Immunisation Policy outlines the requirements for staff working in SVHM facilities.

Table 1: Vaccine Preventable Diseases for which vaccination and/or assessment is required within SVHM

Chicken pox (varicella) Hepatitis B Measles Mumps Rubella	Whooping cough (pertussis) Diphtheria Tetanus Influenza Tuberculosis COVID-19 ***
---	--

NOTE: Vaccination requirements may differ according to individual jurisdictional requirements and policy directives and where there is a conflict the higher directive will apply.

****Following direction from the Victorian Chief Health Officer, under the Public Health and Wellbeing Act 2008 (Vic); Section 200; the COVID-19 Vaccination is mandatory for all employees (regardless of risk category), provided the individual does not have a medical contraindication according to the Australia Technical Advisory Group on Immunisation.*

SVHM has grouped individuals according to their risk of transmitting vaccine preventable diseases and their risk of exposure to blood or body substances (Table 2).

Table 2: Health Care Worker Risk Categorisation

Risk Category	Description	Vaccination requirement
Category A	Vaccination is required for this category of health care worker. Healthcare workers within this category have the potential to	Required

	<p>transmit Vaccine Preventable Diseases to vulnerable patients most at risk of mortality and morbidity from these diseases within SVHM.</p> <p>This includes employees with direct physical contact with patients/clients, deceased persons, blood, body substances or infectious material or surfaces/equipment that might contain these or contact that would allow acquisition and/or transmission of a specific infectious disease by respiratory means.</p> <p>This includes laboratory workers.</p>	
Category B	<p>Vaccination is recommended for this category of HCW. This includes individuals who do not work with the risk of exposure to blood or body substances, their normal work location is not in a clinical area (e.g. chef, administrative staff) and only attends the clinical area for short periods of time. Essentially, these individuals have no greater level of risk than that of the general community.</p>	Recommended

10. PRE-EXISTING INJURY

Prior to any person being appointed to this position it will be required that they disclose full details of any pre-existing injuries or disease that might be affected by employment in this position.

11. AGREEMENT

National Police Check:

I understand that it is a condition of my employment to provide SVHM with a current National Police Certificate PRIOR TO COMMENCING WORK and this is at my own cost.

I understand that regardless of the frequency, if I am working and or visiting in a designated 'high risk area' of SVHM (as defined in the SVHA Pre-employment/Appointment Safety Checks Policy) I will be subject to periodic Police Checks every three years at my own cost.

NDIS Clearance (if applicable):

If you are working in a designated 'Risk Assessed Role' (as defined by the National Disability Insurance Scheme NDIS) regardless of frequency, you will be subject to periodic NDIS Worker Screening Checks every five years at your own cost. 'Risk Assessed Roles' are defined as (a) key personnel as defined in the *National Disability Insurance Scheme Act 2013*; (b) any role that directly delivers a set of specified supports or services in the [NDIS \(Practice Standards – Worker Screening\) Rules 2018](#); (c) any role where normal duties are likely to require 'more than incidental contact' with people with disability. The designation of 'Risk Assessed Roles' are subject to change, please refer to NDIS Practice Standards for further information.

Required Immunisations:

Individuals who will be working in Category A positions will only be able to commence employment following assessment of their vaccination status. The decision to proceed with the commencement of employment will be at the discretion of the ICP in consultation with the Hiring Manager and may in some instances, require additional vaccinations to ensure full compliance with the SVHM Employee Health Screening and Immunisation Policy.

I understand that if additional vaccinations are required to comply with pre-employment prerequisites, this will be at my own cost. Where a state jurisdiction overrides this, the facility will bear the cost.

I have read, understood and agree to comply with the responsibilities and accountabilities of this position description. I agree to comply with all SVHM requirements, policies, procedures, by laws and directions.
