

1. THE ORGANISATION AND OUR MISSION

St Vincent's Hospital Melbourne (SVHM) is a leading teaching, research and tertiary health service, which employs more than 6,500 staff across 18 sites throughout Melbourne.

Part of Australia's largest not-for-profit Catholic health and aged care network, St Vincent's Health Australia, SVHM provides a diverse range of adult clinical services including acute medical and surgical services, sub-acute care, medical diagnostics, rehabilitation, allied health, mental health, palliative care, correctional health and community residential care.

SVHM's mission is to provide high quality and efficient health services to the people of Victoria in accordance with the philosophy of St Vincent's Health Australia. This mission is based on the values of compassion, justice, integrity and excellence.

2. KEY POSITION DETAILS

Job Title:	Palliative Care Registrar	Reports to:	Director of Palliative Medicine
Program:	Medical and Specialist Services	Department:	Palliative Medicine
Industrial Agreement:	AMA Victoria – Victorian Public Health Sector - Doctors in Training Enterprise Agreement 2018 – 2021, or its successor	Classification:	HM25 – HM30
		Risk Category:	A

3. LOCAL WORK ENVIRONMENT

St Vincent's Palliative Care Services operate across four Melbourne campuses – St Vincent's Hospital, Fitzroy, St Vincent's Hospital on the Park, East Melbourne, Caritas Christi Kew, and St George's Hospital, Kew. Our Palliative Care Unit (PCU) is located at Caritas Christi Kew and the Palliative Care Consultancy Service office is located at St Vincent's Hospital, Fitzroy.

St Vincent's Palliative Care Service continues to foster and enhance expertise and developments in the provision of palliative care. Our campuses have a well-integrated psycho-oncology team with whom you will work closely, and a large multi-disciplinary team. We provide a 7 day service complimented by our comprehensive outpatient and community facing support services.

4. POSITION PURPOSE

This registrar position in palliative medicine is accredited for advanced physician and AChPM training, as well as the RACP clinical diploma in palliative medicine. Under the direction of the senior medical staff the registrar will manage the daily care of patients admitted to St Vincent's Hospital Melbourne, being responsible for assessment of patients referred to the palliative care consultancy service.

The primary purpose of this position is to improve your skills in the assessment and management of palliative care patients in the consult liaison setting. You will also further develop your ability to work in a multi-disciplinary team and to liaise with colleagues from other specialities.

5. POSITION DUTIES

Palliative Care Consultation Service (PCCS)

- Under direction of Senior Medical Staff be responsible for assessment of patients referred to the palliative care consult service at St Vincent's .
- Work collaboratively with the nursing staff appointed to the Palliative Care Consultation Service to ensure that patients referred to the service receive prompt and appropriate assessment and management of their palliative issues.
- Attend the meetings of the Palliative Care Consultation Service.
- Participate in planning, implementation and evaluation of care afforded to patients and their families who have been referred to the Palliative Care Consultation Service (PCCS).

- Participate in palliative care outpatient service delivery with appropriate documentation and correspondence completed.
- Liaise with medical and nursing staff of referring units, as well as transfers to our Caritas Christi PCU or other external Hospital or community palliative care services and their general practitioners, to ensure consistent care and information is provided to patients and families, and to maintain clear lines of responsibility for patient care.
- Clerical and procedural aspects of patient management, completion of medical records and other documents as required.

Continuum of Care

- Participate in the after-hours on call roster, which will include weekends and public holiday rostered rounds at both Kew and Fitzroy campuses.
- Liaise with nursing and allied health staff of the PCCS, PCU and outside agencies and general practitioners and/or primary specialists to maintain continuity of care.
- Maintain contact with primary care team and referral centres for ongoing treatment plans as required.
- Maintain contact with family members and review their expectations of care.
- Ensure timely and comprehensive documentation of progress and discharge plans.

Education

- Attend appropriate educational programs at Caritas Christi Kew and St Vincent's Health, and assist in ongoing educational programs for Palliative care and Non-Palliative Care personnel.
- Participate in continuing education both internally and externally and be responsible for his/ her own professional development.
- Cultivate an interest in Palliative Care as a speciality and keep abreast of developments in this field.

Research

- Participate in research projects that are undertaken in the service as appropriate.

Improving Performance

- Participate in regular system of staff appraisal.
- Other duties and responsibilities as assigned by the Senior Medical Staff and Director of Palliative Care.

Workplace Health and Safety

Workplace health and safety is the responsibility of all staff. It is expected that all staff work in accordance with set protocols and report when either a protocol is breached or it requires reviewing, the following is expected:

- Participates in both Department and Occupational Health and safety programs as arranged.
- Adheres to workplace infection control policy and procedures.
- Performs duties adhering to the Health Service's Occupational Health and Safety Protocols.
- Participates in the planning of, and the response to emergency procedures.
- Completes lock up of the office by close of business each day, where appropriate.
- Maintains the tidiness of the office space.
- Complies with the Infection Control Policies and Procedures of St Vincent's Health

Outcomes	Patient/Resident/client centred	Strives to meet and exceed expectations, demonstrating sound judgement
	Innovation and Improvement	Contributes to improvement by reviewing strengths and weaknesses of current processes
Strategy	Driving Results	Manages own work load to deliver results
	Organisational Acumen	Understands the interdependencies between units/departments
People	Working with and Managing others	Takes responsibility for ensuring productive, efficient teamwork
	Collaboration	Works collaboratively within and outside the team

8. SELECTION CRITERIA

8.1 ESSENTIAL REGISTRATION, LICENSE OR QUALIFICATION REQUIREMENTS

- Medical Graduate. Minimum two years post hospital medical officer year 1.
- Current Victorian Medical Board Registration

8.2 OTHER ESSENTIAL REQUIREMENTS

At least 2, preferably 3 years post graduate experience in medicine

- Good communication skills
- Interest in Palliative Medicine

9. REQUIRED IMMUNISATIONS

SVHM Employee Health Screening and Immunisation Policy outlines the requirements for staff working in SVHM facilities.

Table 1: Vaccine Preventable Diseases for which vaccination and/or assessment is required within SVHM

Chicken pox (varicella) Hepatitis B Measles Mumps Rubella	Whooping cough (pertussis) Diphtheria Tetanus Influenza Tuberculosis COVID-19***
---	---

NOTE: Vaccination requirements may differ according to individual jurisdictional requirements and policy directives and where there is a conflict the higher directive will apply.

****Following direction from the Victorian Chief Health Officer, under the Public Health and Wellbeing Act 2008 (Vic); Section 200; the COVID-19 Vaccination is mandatory for all employees (regardless of risk category), provided the individual does not have a medical contraindication according to the Australia Technical Advisory Group on Immunisation.*

SVHM has grouped individuals according to their risk of transmitting vaccine preventable diseases and their risk of exposure to blood or body substances (Table 2).

Table 2: Health Care Worker Risk Categorisation

Risk Category	Description	Vaccination requirement
Category A	Vaccination is required for this category of health care worker. Healthcare workers within this category have the potential to transmit Vaccine Preventable Diseases to vulnerable patients most at risk of mortality and morbidity from these diseases within SVHM. This includes employees with direct physical contact with patients/clients, deceased persons, blood, body substances or infectious material or surfaces/equipment that might contain these or contact that would allow acquisition and/or transmission of a specific infectious disease by respiratory means. This includes laboratory workers.	Required
Category B	Vaccination is recommended for this category of HCW. This includes individuals who do not work with the risk of exposure to blood or body substances, their normal work location is not in a clinical area (e.g. chef, administrative staff) and only attends the clinical area for short periods of time. Essentially, these individuals have no greater level of risk than that of the general community.	Recommended

10. PRE-EXISTING INJURY

Prior to any person being appointed to this position it will be required that they disclose full details of any pre-existing injuries or disease that might be affected by employment in this position.

11. AGREEMENT

National Police Check:

I understand that it is a condition of my employment to provide SVHM with a current National Police Certificate PRIOR TO COMMENCING WORK and this is at my own cost.

I understand that regardless of the frequency, if I am working and or visiting in a designated 'high risk area' of SVHM (as defined in the SVHA Pre-employment/Appointment Safety Checks Policy) I will be subject to periodic Police Checks every three years at my own cost.

NDIS Clearance (if applicable):

If you are working in a designated 'Risk Assessed Role' (as defined by the National Disability Insurance Scheme NDIS) regardless of frequency, you will be subject to periodic NDIS Worker Screening Checks every five years at your own cost. 'Risk Assessed Roles' are defined as (a) key personnel as defined in the *National Disability Insurance Scheme Act 2013*; (b) any role that directly delivers a set of specified supports or services in the [NDIS \(Practice Standards – Worker Screening\) Rules 2018](#); (c) any role where normal duties are likely to require 'more than incidental contact' with people with disability. The designation of 'Risk Assessed Roles' are subject to change, please refer to NDIS Practice Standards for further information.

Required Immunisations:

Individuals who will be working in Category A positions will only be able to commence employment following assessment of their vaccination status. The decision to proceed with the commencement of employment will be at the discretion of the ICP in consultation with the Hiring Manager and may in some instances, require additional vaccinations to ensure full compliance with the SVHM Employee Health Screening and Immunisation Policy.

I understand that if additional vaccinations are required to comply with pre-employment prerequisites, this will be at my own cost. Where a state jurisdiction overrides this, the facility will bear the cost.

I have read, understood and agree to comply with the responsibilities and accountabilities of this position description. I agree to comply with all SVHM requirements, policies, procedures, by laws and directions.
