

## Hepatitis C - Bloody Serious Facts

.....a partnership between St Vincent's Hospital Melbourne and Harm Reduction Victoria.

### The online education session covers:

- **The Basics of Hep C** : Transmission, testing and diagnosis
- **Treatments – curing hepatitis C**: Keeping up to date with the anti-viral tablets that are changing people's lives.
- **The Impact & Meaning of living with hepatitis C**: An insight into living with Hep C and the treatment journey by a person with lived experience.
- **Why is injecting such high risk?** : A practical demonstration of the risks of transmission during the mixing up and injecting process.

Suitable for AOD workers, nurses, NSP workers, community health or anyone who works with people who are at risk of or affected by Hepatitis C.

All welcome

Nurses earn 1.5 CPD points
