

Cross Sectoral Collaborative Network For the Lived and Living Experience Workforce (Cities of Yarra & Boroondara)

A Cross Sectoral Collaborative Network was established in September 2023, a result of a co-design, co-production process to enhance the important voice and experiences of the Lived and Living Experience Workforce.

The networks' purpose is to capture the experiences and insights of individuals across various life circumstances, backgrounds, challenges and fields.

Some of the benefits of becoming a member include:

- **Sharing Diverse Perspectives and Expertise**
 - **Improved Decision Making**
 - **Enhanced Innovation**
- **Increased efficiency and resource optimisation**
 - **Empowerment and Inclusion**
 - **Capacity Building**
 - **Community Engagement**
