Briar Terrace

An initiative of the Sisters of Charity Melbourne

COMPANIONSHIP IN A PEACEFUL HOMELY ENVIRONMENT IN AN INNER CITY LOCATION

Briar Terrace offers companionship and a safe place in a peaceful setting for people who know the aloneness of dense, inner-city living.

First established by the Sisters of Charity in 1998, Briar Terrace provides a gathering place for those who are looking for a friendly face, a hot cuppa and someone to talk to. Promoted largely by word of mouth, Briar Terrace supports men and women who are experiencing social isolation.

Briar Terrace is not welfare, but a place of companionship that can give solace to the human spirit. A dedicated team of volunteers help ensure Briar Terrace is an inviting, warm, restful and safe environment.

"Responding to the needs of those who experience the isolation of dense inner city living."
