Compassion – Justice – Human Dignity – Excellence – Unity*

Darebin Community Rehabilitation Centre

The Darebin Community Rehabilitation Centre provides specialised rehabilitation services to people living in the City of Darebin.

The centre is affiliated with St Vincent's Hospital offering a continuity of care into the local community.

What does the centre offer?

- Rehabilitation for clients with short to medium-term rehabilitation needs
- Treatment programs designed specifically for each client to promote independence and wellbeing
- Treatment may include individual or group therapy
- Health promotion and community education on specific rehabilitation issues
- Interpreters – will be made available at no charge when required.

What rehabilitation programs are there?

- Neurological care for clients with conditions such as Multiple Sclerosis, Stroke, brain injury, Parkinson's disease etc.
- Musculo-skeletal care for clients with arthritis and other painful conditions, as well as for those who have joint replacement surgery, hip fractures and other similar surgery.
- Pulmonary and cardiac rehabilitation for clients with lung or heart disease.

Rehabilitation services include:

- Physiotherapy
- Occupational therapy
- Speech pathology
- Social work
- Dietetics

How do I arrange an appointment?

Clients need to have a referral from a doctor or health professional.

The written referral should be posted or faxed to:
Darebin Community Rehabilitation Centre:

92 Dennis Street
Northcote Victoria 3070
Tel: 9486 7413
Fax: 9486 7415

Attendance charge

A small fee of \$5.00 applies when you attend.
