1. Navigator Program by Jennifer Walters - JSS

Navigator provides case management and intensive, assertive outreach to young people and their families. Our team assists each young person to create their own education re-engagement plan that:

- - Expressed individual goals
- - Addresses specific barriers to education
- - Responds to issues underlying non-attendance
- - Involves and works restoratively families, carers, schools and community support by:
 - • Expanding and coordinating the network of people can provide ongoing support and oversight
 - • Promote well-being, restore relationships and reduce further harm
- - We also work with education providers to ensure that each young person's re-engagement into education best suits their needs.

How can young people be referred to Navigator?

The Department of Education and Training (DET) Navigator Coordinator manages the referral process to the Navigator Program at Jesuit Social Services. Anyone can refer to the program through our online referral hub which can be found on the following website:
