What is AOD Pathways?

Alcohol and Other Drugs (AOD) Pathways is a Victorian-based state-wide service that supports individuals and their family and friends to navigate and access local AOD treatment services.

Who is eligible?

Individuals and their significant others will be considered for AOD Pathways where there is:

- problematic substance use
- complex and multiple needs in addition to problematic substance use, and
- previous unsuccessful attempts to seek and access treatment at local AOD services.

**Referrals to AOD Pathways can be made
by calling 1800 319 619 (free call)
or online:**
