

Sally Thomas, Sophia Cotroneo

Specialist Clinical Services

What is AOD Pathways?

- State-wide service delivered by phone or face-toface
- Working with people experiencing difficulty accessing AOD services
- Offer brief intervention, case management and family support
- Aim to link clients with appropriate local supports

Who is eligible?

- Problematic substance use
- Complex/multiple needs in addition to problematic substance use
- Previous attempts to seek and access treatment at local AOD services

Who can refer?

- Catchment based intake services
- AOD assessment and treatment services
- DirectLine, Family Drug Help, YoDAA General Practitioners
- Other primary and specialist health services
- Self–referrals (including carers, families and significant others)

Why should I refer?

- Individuals who experience problematic AOD use as well as other complex needs often have difficulty accessing treatment
- We can assist not only the individual but also their family and friends

How do I refer?

- 1800 319 619
- AODpathways@turningpoint.org.au
- www.directline.org.au/aod-pathways

We are available Monday to Friday between 9am to 5pm. All after hours support is available via DirectLine
