

Critical Care Stream

(ANAESTHETICS, ED AND ICU)

St Vincent's Hospital Melbourne Critical Care stream offers you training opportunities accredited by the Australian and New Zealand College of Anaesthetists, the Australasian College for Emergency Medicine, and the College of Intensive Care Medicine of Australia & New Zealand.

You will be offered a breadth of experiences across metropolitan and regional hospitals, with access to:

- training and education programs,
- formal and bedside teaching opportunities, and
- examination preparation programs to assist with your entry and progression through your chosen critical care speciality.

Our critical care stream offers you the opportunity for mentorship and guidance from an experienced, diverse groups of critical care specialists to navigate the day-to-day challenges of your role and to build an exciting, rewarding career in your chosen speciality.

The below rotations are indicative of the experience on offer at SVHM, however may be subject to change.
