

General Stream

St Vincent's Hospital Melbourne is proud to offer a broad and exciting General Stream. This stream is ideal for staff who are interested in a career in general practice or one of the sub-specialties listed below. It is also valuable for those looking to expand their career with an additional year or two of general hospital experience, including:

- general medicine,
- general surgery,
- addiction medicine,
- dermatology,
- rehabilitation medicine,
- geriatrics,
- psychiatry,
- emergency medicine
(adult at metro, mixed at rural sites),
and
- rural GP placement.

By joining our General Stream you will be part of the fastest growing Resident stream at St Vincent's Hospital Melbourne.

In each rotation, we provide you with a dedicated Consultant Supervisor, to specifically support pre-vocational trainees. Additionally we offer a comprehensive mix of unit-based and hospital-wide education programs. We are delighted to offer this general program that will cater exactly to your needs, whichever direction your career takes off.

The below rotations are indicative of the experience on offer at SVHM, however may be subject to change.

Available Rotations

Our HMO2 positions will be filled via the Allocation and Placement Service (APS) through the Postgraduate Medical Council of Victoria (PMCV). All applications must be made through both St Vincent's Hospital and the PMCV.

Rotations are offered at SVHM and our secondment Hospitals: Werribee Mercy Hospital and Swan Hill District Health.
