

# A network for life

St Vincent's Nursing Alumni

Congratulations on joining St Vincent's. You are now part of a special community of nursing professionals and part of the St Vincent's family. The journey ahead of you is rewarding, challenging, meaningful and fun.

The St Vincent's Nurses Alumni is with you on your journey. The Alumni offers you a way to connect to your colleagues and the nurses who came before you. When you join, you can start to build your network, access scholarships and mentoring, and be part of a fun social group.

The Alumni includes nurses who have worked at St Vincent's over the decades. We meet throughout the year for high tea, fabulous lunches, and other activities to support each other and celebrate the nursing profession.

## 100 YEARS IN 2023

The Alumni was originally established by Ida O'Dwyer in 1923. **2023 marks the centenary of the network.**

Very soon we will unveil our plans for centenary events celebrating 100 years since the first St Vincent's Nurses Alumni meeting.

All members are invited to the Annual Mass for deceased Members on Saturday 25 March 2023, at the Australian Catholic University Chapel. Mass will be followed by afternoon tea. Please email [stvsnursesalumni@gmail.com](mailto:stvsnursesalumni@gmail.com) to RSVP.

Please get in touch if you would like to be part of the organising committee in 2023.
